

2023 Soap Box Update #2 - December 18

Your Soap Box volunteers had our December meeting this past week. If you know of a business or individual who would like more information on Sponsorship, please send an email to Info@StAlbertSoapBoxDerby.ca

Soap Box need the following volunteers:

Registration Lead (Registration and Race Day Info area),

Food Coordinator (150 racers, 100 volunteers ???.....)

Trophies and Prizing Lead (what can make this fun for racers)

Volunteer Co-Chair (building on the over 50 volunteers from list year),

Social Media Lead (Facebook et all).

2-3 parent representatives (been there, how can it be better this year)

Please give it some thought to adding your knowledge to the board and if you

have questions on a specific role, send them to INFO@stalbertsoapboxderby.ca

2023 Registrations are planned to open in February. Target for 2023 is 150 racers.

2023 Racer registration will be \$35

To make building a cart easier and to minimize cost, Build kits were introduced in 2022. In a Build Kit , you get a [GoKit](#) which consists of the wheels, steering mechanism and the template and instructions. St Albert sells the Go-Kit separately for \$90, individual units from the manufacturer are \$103 plus shipping. St Albert Brakes can be purchased separately for \$40. Tow Hooks can be purchased for \$10. Half a sheet of ¾" plywood ~\$50. Registration is \$35.

For 2023, there will be two types Build Kits offered in limited quantities.

Base Build Kit is \$200 and includes Go-Kit, St Albert Brake, Tow Kit, one Registration and a ½ sheet of ¾" plywood (enough for all required parts).

Build Kit Plus is \$250 and includes Go-Kit, St Albert Brake, Tow Kit, one Registration and pre cut ¾" plywood cart parts including steering wheel and roll bar.

To race, a 3 point seat harness, helmet and racer safe clothes are required for all racers. All carts and racers must also pass a Safety check in order to be allowed to race.
